

Unless otherwise indicated below, connection of the CAN-cables are made on the left-hand side headlamp

Note I: Digital Lightning 1200 is tested on the vehicle model years as seen in the table below. If your vehicle model year is not present in the table, there is a chance that the code for a nearby model year also work with your car.

Note II: The colours of the CAN-cables in the car may vary from the colours in the table below.

Note III: Refers to alternative software available. #

Note IV: Vehicles with CAN-FD. DL1200 gen. 2 ●
